

## WEN XU

14 Old Chapel Rd, Middlebury, VT 05753, United States  
(802) 771-5976 wenx@middlebury.edu

### EDUCATION

#### Middlebury College

February 2024

Candidate for B.A. in Psychology with Minor in Computer Science

**GPA:** 3.97/4.0

**Relevant coursework:** Cognitive Psychology, Sensation and Perception, Social Psychology, Data Visualization, Data Science Across Disciplines, Machine Learning, Generative Art

### RESEARCH EXPERIENCE

#### Conservation Psychology Lab, Middlebury College, VT

January 2022-present

*Research Assistant*

- Conduct literature review, design and run behavioral experiments on climate change perception and pro-environmental decision making.
- Supervisor: Michelle McCauley, Ph. D.

#### Child and Baby Lab, Uppsala University, Sweden

August 2022-December 2022

*Research Assistant*

- Ran behavioral experiments to examine additive cognitive biases in problem solving strategies in adults. Analyzed results and produced a manuscript.
- Supervisor: Joshua C. Juvrud, Ph. D.

#### Vermont Center for Behavioral Science Research on Climate and the Environment, Middlebury College, VT

June 2022-August 2022

*Research Assistant*

- Designed and ran an experimental study to examine the effect of psychological distance and personal value on climate change concern and mitigation behavior.
  - Conducted literature review on the influence of personal experience of natural disasters on climate beliefs.
  - Collected and analyzed survey data.
- Supervisors: Michelle McCauley, Ph. D., Julia Berazneva, Ph. D.

#### Institute of Urban Environment, Chinese Academy of Sciences, China

July 2018-September 2021

*Research Intern*

- Conducted complex network analysis on international plastic waste trade data and produced a manuscript.
  - Modeled the future demand and recycling potentials of metal materials for lithium ion batteries of electric vehicles in 90+ cities in China. Conducted literature review, collected data, developed models, and visualized projection results.
- Supervisors: Wei-Qiang Chen, Ph. D., Peng Wang, Ph. D.

### LEADERSHIP EXPERIENCE

#### Jiezi SpeakGreen, China

August 2021-present

*Co-founder and Content Writer*

- Co-founded an initiative that aims to communicate environmental problems, increase affinity with nature, and encourage pro-environmental lifestyles amongst young people in Chinese cities.
- Wrote 15+ environmental and science communication articles for the initiative's public social media account, which has 600+ subscribers and received 4 million + views in total.

**EcoDorms**, Middlebury College, VT

January 2022-May 2022

*Student Intern*

- Organized weekly activities in first-year dorms at Middlebury College with the goal of increasing environmental awareness and building community.
- Wrote weekly posts for an environmental education blog.
